PROFESSIONAL PROFILE

Recent graduate and passionate **WordPress Developer** with over **3 years' experience** creating **responsive, SEO-friendly, multilingual, and eCommerce websites**. Skilled in **WordPress, ACF, WooCommerce**, and collaborating with designers, developers, and clients to deliver **high-quality projects on time**. Strong problem-solving skills and attention to detail, with proven results in **website performance, user engagement, and search visibility**.

CORE EXPERTISE

- WordPress Website Development Including Multi-language Sites and ACF
- Front-end Web Design (HTML, CSS, JavaScript, PHP)
- Responsive and mobile-friendly layouts
- SEO-friendly website structure and optimization
- Website Performance Optimization (Page Speed, Caching, Image Compression)
- Client Requirement Analysis and Communication
- Cross-department Coordination
- Project Progress Tracking and Milestone Management

NOTABLE ACHIEVEMENTS

- Led the development of multiple **WordPress corporate websites**, improving page load speed by up to **40%** through optimisation work.
- Worked closely with project managers, designers, and SEO teams to improve website structure and search visibility.
- Delivered websites for **local and overseas clients** across different industries, meeting tight project timelines.
- Built and managed **multilingual WordPress websites** (Chinese, Thai, Bahasa Melayu, English, Korean, and French) using **ACF** for flexible content management.
- Developed and supported **WooCommerce websites**, including product setup, checkout setup, and payment gateway integration.
- Created reusable templates, custom post types, and ACF field groups to support content-driven and marketing websites.

WORK EXPERIENCE

Web Developer (Executive)

Sept 2023 – Present

LOCUS-T Sdn Bhd

- Developed and launched **multilingual WordPress websites** using **WordPress, ACF, HTML, CSS, PHP, and JavaScript**, ensuring fully **responsive layouts** for desktop, tablet, and mobile.
- Built and supported **WooCommerce / eCommerce sites**, including **product setup, checkout, and payment gateway**.
- Optimized website performance, improving **page load speed by up to 40%** through caching, image compression, and clean coding practices.
- Collaborated with designers, SEO specialists, and content writers to ensure websites met **client branding, functionality, and usability requirements**.
- Conducted testing and debugging to fix **layout, security, functionality and multilingual content issues**.
- Implemented **SEO-friendly architecture** and integrated analytics tracking, contributing to **higher organic traffic**.

Project Coordinator & Client Servicing Specialist (Intern)

Mar 2023 – Aug 2023

LOCUS-T Sdn Bhd

- Assisted in managing **20+ web development and digital marketing projects**, ensuring timely delivery and quality standards.
- Coordinated with project managers, designers, developers, and content teams for **smooth project execution**.
- Acted as a key **point of contact for clients**, gathering requirements, clarifying scope, and aligning expectations.
- Monitored project timelines and deliverables, proactively identifying **risks to prevent delays**.
- Prepared project documentation and progress updates to maintain **team and client alignment**.
